**FOOD PANTRY:** Now that we are past the holidays, the food pantry will go back to its regular operations. They are open every Friday from 10 to 12, you must be signed in by 11:45 to get served. The food pantry is always looking for donations. They do not take bulk bags of rice, beans, or pancake mix. They need regular size bags, boxes, and cans. Please remember that the food pantry does not take clothes, or diapers.

**WINTER FREEZE:** We would like to thank the Liverpool Police Department for checking on some of the residents to make sure they were doing ok in the freezing weather. And thank you to Brandon Middleton and Tommy Grupe for getting ready for the freezing weather. They made sure that Emergency Management was ready to go if needed and took care of the generator so that it would be ready to go if we lost power.

**ESD#3:** The ESD#3 is working with the City of Liverpool to bring a family event to the city on April 25, 2026. We are still working out the details; however, we are looking to have fire, Ems, games and food. It will also be an opportunity for anyone interested in joining the volunteer fire department to do so. More details will be coming soon.

**NEW WEBSITE:** The new website is up and running. Please go visit it. There is still some work to be done on it. The new website is [www.liverpooltx.gov](http://www.liverpooltx.gov). The new water payment portal is on the new website, where you can go and create an account and be able to see your water account, see how much you owe, and sign up for auto draft pay as well. You may also pay court fines, building permit fees, and pavilion rental fees online as well. We would like to have feedback on the new and improved website. Please let us know what you think.

**ELECTIONS:** There is still time to get an application to be on the ballot for the election in May. We have 3 council spots that are up for re-election.
