I \_\_\_\_\_, have requested a new water service at the service address \_\_\_\_\_. I understand that water service is not available at this address prior to this request, therefore I am responsible for the cost of the tap and meter to be put in by the City of Liverpool. I am aware that the costs for this service are as follows: \$\_\_\_\_\_ for the meter and \$\_\_\_\_\_ for the tap.

I am also aware that along with this price I am responsible for paying the \$100.00 deposit.

Existing structure on property or empty lots -when the tap is installed on the property the meter price of \$\_\_\_\_\_, must be paid before the contractor installs the service line.

Along with making a monthly payment of \$\_\_\_\_\_, which will be in addition to the monthly bill until the total amount is paid in full. The additional payment amount will have the total job paid off in one year or two years.

I am aware that the costs for this service are as follows: \$\_\_\_\_\_ for the meter and \$\_\_\_\_\_ for the tap. For a total of \$\_\_\_\_\_ and will pay this in full.

At any time that I fail to make my payments, plus the current amount of the bill, on the 15th of each month as agreed upon, my water will be disconnected. If the water is disconnected, it will not be turned on until the full amount of the bill is paid in full plus a \$40.00 reconnect fee.
